# Billerica High School 1987

A CLASSIC

The fall cheerleaders-Wendy Musgrave, Stacey MacLeod, Julie Petrone, Kim Nordlie, Shelley Young, and Lou-Ann Olson-show their pre-game enthusiasm by flashing their classic smiles.

# A Classic Statement

Even Coke learned you don't mess with the Real Thing. The result: A ***Classic*** was born.

The Billerica High School Class of 1987 has carved out a reputation for responsibility, excellence, and performance where it counts: in our classrooms, on our playing fields, in our community.

***Classic:*** of the first or highest rank.

Like the '65 Mustang, Levi's 501 jeans, a Greek temple or a Big Mac, the Class of 1987 has style and a staying power.

***Classic:*** of enduring interest, quality, or style.

And because good things last, we'll leave our accomplishments behind as a touchstone for the future.

***Classic:*** serving as a standard, model, or guide.

We pop. We fizz. We've got life. We're the Real Thing. Another ***CLASSIC*** is born. Catch the wave!

For where so e'er I turn my ravish'd eyes,
Gay guilded scenes and shining prospects rise,
Poetic fields encompass me around,
and still I seem to tread on classic ground.

# Dancing The Night Away

The room was filled with smiles and laughter. Flashes went off and friends awed one another. Our long awaited Junior Prom finally arrived. The D.J. filled the room with songs that will be here "Always and Forever" and ones that will make us "Shout".

Screams and whistles made the dance floor come alive. The room silenced as the prom queen, Shelley Young, and her court, Michelle Tucci, Sandra Jones, Gina Silverio, and Julie Petrone, danced with their handsome escorts. As the enchanted evening came to an end, The couples danced to our prom theme song that held our hope for the evening-"This Could Be the Night".

# Homecoming: A New Classic

On November 1, 1986, the new addition cafeteria was turned into a dance and concert hall for the second annual Homecoming Dance sponsored by the Booster Club. The dance gave the high school a chance to introduce the fall sports captains and to announce the homecoming queen and her court.

As the band played, the so called "Pit" became a dance floor and students had a chance to socialize with one another. Everyone cheered as the homecoming queen, Kara McCarty, and her court, freshman Tara Connors, sophomore Susan Tatarouns and junior Cindy Worcester, were escorted to the stage by the sports captains

The queen and her court were presented at the homecoming football game on November 15, 1986. All in all, the Homecoming Dance was a huge success.

Senior Powder Puff defends their banner.

The B.M.H.S. Silver Jade Color Guard performs.

Tracy McHugh, Maria Milano, Wendy Sullivan, Coree Cochran, Christine Harrison, Stephanie Severo, and Barbara Gallinaro show their enthusiasm for the upcoming Powder Puff game.

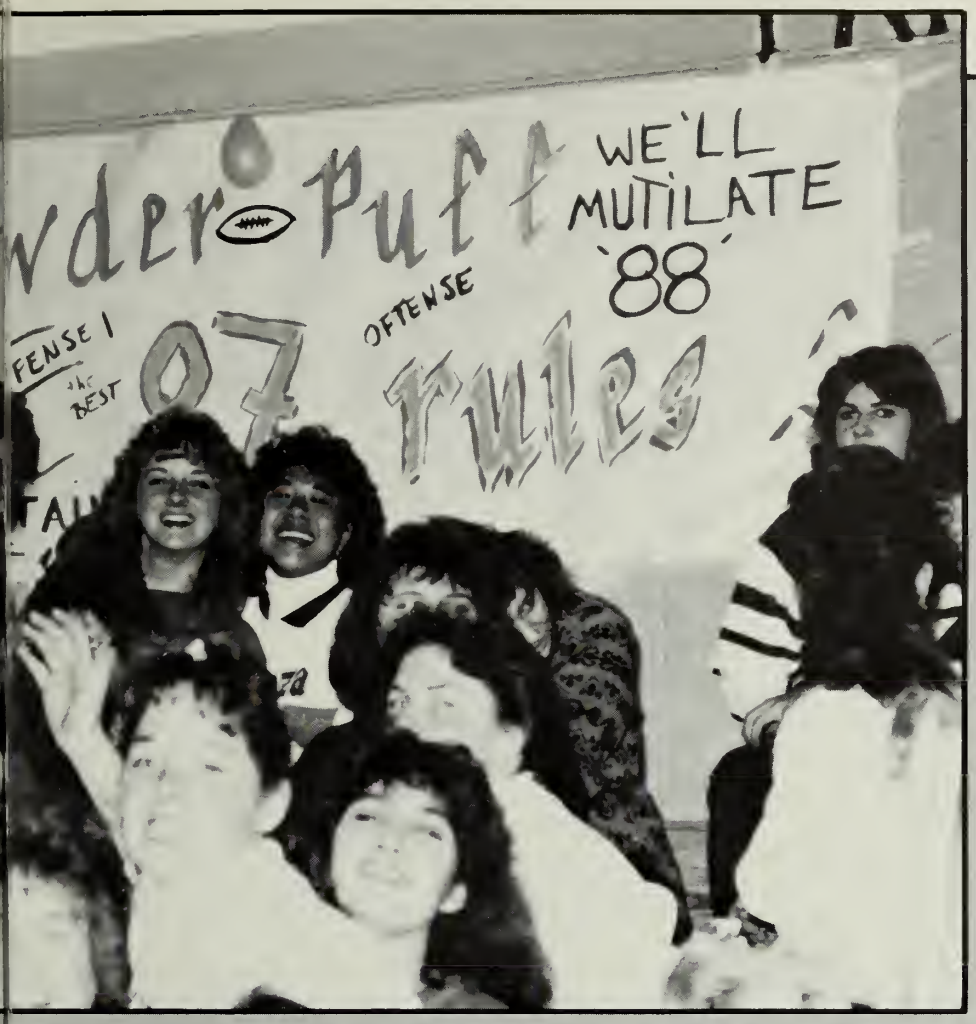
The realm of the gymnasium was permeated with the hurrahs of spirited students. The atmosphere was alive and charged with the rival Powder Puff team's cheers for victory.

Barely audible over the chaotic clamor were the voices of the fall sports captains as they wished the football team good luck in their final contest of the season. This new tradition of the sports captains addressing the crowd was a welcomed change, and kept the students enthusied.

The marching band put on a spectacle that showed their support of the football team and helped the crowd to get involved with the activities.

The crowd exploded when four students garbed in flourescent orange skiing hats and "Risky Business" sun glasses flew to the podium with the traditional "Entering Chelmsford" sign.

As the pandemonium came to an end the unity of the school was evident. The crowd gave one last cheer in full cry as the football team prepared for the final showdown with Chelmsford.



Andy DeVito, Mark Anese and Billy Paskewicz, three members of Mission Impossible, cheer the football team on.

Football captains, Ralph Laundry and Dave Lyons, give an up-lifting speech.

# Thanksgiving With The Indians

The weather was perfect, the fans were ecstatic and the players were ready. The setting was perfect for a second straight Billerica victory over Chelmsford. We were well on our way to the victory by totally dominating the first half. The Billerica offense marched authoritively down the field to pump a big first quarter touchdown in and take a 7-0 lead. On the following kickoff the hard-hitting Billerica special teams caused a big fumble but recovered to set up yet another touchdown. Chelmsford began moving the ball late in the first half but the punishing Billerica defense rose to the occasion by causing a late second quarter fumble and securing a 14-0 lead into halftime.

In the second half both teams came out hard, they all played their hearts out. Unfortunately, despite a hard effort from the Billerica squad, Chelmsford scored once late in the third and again in the forth quarter. Billerica players continued giving everything they had until the final seconds, only to fall one point short by a score of 15-14.

# Billerica Football Classic Dedication

Billerica vs. Lowell, a game held deep in the heart of the Billerica '86 football squad. It was the season opener, and, for the first time in years, the game was being played under the lights.

The emotions were running high. A month of intense practice had the team in a killing frenzy, looking for anything to vent it on. This game would be the proving ground, setting the tone for the remainder of the season.

The team came off the bus into a slight mist of rain, with ominous dark clouds looming overhead. Lightning flashed as co-captains Ralph Laundry and Dave Lyons led a blood thirsty Billerica in pre-game exercises. It was evident in the Indians' every move that they would not be denied.

Billerica's attack was as unrelentless as a hurricane, leaving nothing unaffected. Dave Lyons worked his magic with help from golden handed Rick Elliot and the dominant force of Ralph Laundry, recently returned from a knee injury. While Dave dazzled the crowd in the air, Frank Toce and Dennis Tamis were busy on the ground with an aggressive running attack. The offensive linemen fought their own private war of dirt, blood, and sweat in the trenches. Returning lettermen Peter Ginolfi, and Chris Reardon formed the backbone of the line with Bill Love and Derek Ryan by their sides. The offense punched in two touchdowns in the first half, followed by a clutch, game winning third late in the game.

Defensively, Billerica shut down Lowell, holding them scoreless in the first half. Peter Ginolfi, Chris Reardon, Paul Kunze, Phil Kendal, Dennis Tamis, and Frank Toce formed an unpenatrable wall through which no Lowell running back could pass unscathed. Chris Giardina and Shawn Hussey had an outstanding game in the second quarter, making Lowell afraid to throw into their midst. Andy Berube, Rick Vail, and Mark Moraconi were more than able to hold their own on the both sides of the line and Bill Bradbury and Phil Tammaro proudly supported on defense.

Billerica's win over Lowell characterized the team's dedication and committment to the game, surprising everyone but the Billerica Indians. Under the leadership of head coach Mike Esposito, Mike Biraldi and Bill Johnson, Billerica proved they are a force never to be taken lightly.

**Front Row:** (L to R) Mark Moriconi, Rick Vail, Phil Kendal, Rick Elliott, Chris Reardon, Pete Ginolfi, Frank Toce, Ralph Laundry, Dave Lyons, Dennis Tamis, Andy Berube, Bill Love, Paul Kunze, Phil Tammaro, Mike Pucillo, Craig Malnicof, Chris Giardina, Bill Bradbury. **Middle Row:** Howie Hobbs, Jeff McCarron, George Lemonitis, Jerry Houghton, Scott Perrier, Jeff Jordan, Tommy Lee, Ken Grove, Joe Napoli, Tom Murnane, Derek McKay, Shawn Hussy, Derek Ryan, Jerry Clemente, Mike Klement, Rich Hasbrouk, Chris Callery, Carmine DiBlasi, Brian Delmore. **Back Row:** Tim Kelly, Mark Fantasia, Rich Glennon, Mike Hardy, Sean Radzvin, Dinny Colletti, Dan O'Leary, Jeff Gallison, Derek Graham, Paul Laundry, Tony Capollino, Brandon Giardina, Jim Shea, Ron Thurber, Rich Peck, Kirk Frevold, Russ Sousa, Jeff Norton, Ed Peterson, John Love, Mike Murphy, Bob Murch, Gregg Pearl, Kyle King.

Senior Dennis Tamis makes his move, looking for a gap in the defense.

Dave Lyons looks to pass while an opponent stays on his heels.

Junior Joe Napoli sees his opportunity, makes a sharp turn, and goes for another down.

# Classic Enthusiasm

The B.M.H.S. football cheerleaders had the most successful season in our school's history. At a summer cheering camp at the University of New Hampshire, our team was voted the Most Outstanding Cheering Team. Led by senior co-captains Julie Petrone and Gina Silverio, the cheerleaders continued to improve during the football season, and the girls did their best to bring their spirit and enthusiasm to each game.

The cheerleaders' success continued during competition season. They won a third place trophy at Beverly High School's competition. The team was then favored to win the state championship in the division until several injuries brought an early end to the season.

Sophomore Michelle Staffier was a welcome addition to the team this year. Juniors Bonnie Costedio, Kris Fitzgerald, Wendy Musgrave, Laurie Souza, and Rhonda Thain will certainly provide a strong nucleus to build next year's squad.

Seniors Stacy MacLeod, Kim Nordlie, Lou-Ann Olson, and Shelley Young were among the most talented girls ever to cheer at B.M.H.S. The team could not have had the success it did without the hard work and dedication of co- captains Gina Silverio and Julie Petrone. All of the seniors will truly be missed.

**Front Row:** (L to R) Kim Nordlie, Stacy McLeod, Co-captain Gina Silverio, Co-captain Julie Petrone, Lou-Anne Olson, Shelly Young. **Back Row:** Michelle Staffier, Laurie Souza, Kristen Fitzgerald, Coach Vincent DeFeo, Wendy Musgrave, Bonnie Costedio, Rhonda Thain.

# Classic Victories

Eleven minutes remaining in the game and Sandi Gillis, a senior tri-captain, scored the game's only goal. This was the highlight of the season. Andover was currently undefeated and Billerica managed to shut them out. Andover was expecting an easy win, but they were sincerely surprised. The Billerica girls' soccer team was psyched up and they wanted the win-and they got it. A feeling of pride overwhelmed the whole team. It was the most thrilling victory and boosted the morale which had started to lack a little after consecutive losses.

They began the season with a struggle. However, they proved that hard work will eventually pay off by defeating Melrose 6-0 and then shutting out Andover. The team continued this rejuvenated play in the next two games, coming out with a win and a tie. Then, for the first time in the team's history, they tied a powerhouse, Westford. The victory was all but sealed until a penalty kick gave Westford their only goal.

Although the team's record was a losing one, the team stuck together and never gave up the entire season which created, by far, the most important victory.

The girls' soccer team practices before a tough game against Chelmsford.

# Classic Defense

The Indians entered their game against Andover with a disappointing 3-2 record. Captains Rob Shannon and Dave DiNanno geared the team up for an important win against the perennial M.V.C. Champs. When Andover scored early, the Indians could have given up. Instead they pulled together and rallied to tie the game on a goal by junior A.J. Silva near the end of the first half. The Indians carried the tie into halftime. They returned for the second half, sensing victory. A classic battle ensured, with opportunities for both teams thwarted by stellar defenses. Late in the game, though, junior Mike Goodwin scored a clutch goal to vault Billerica into the lead, 2-1.

The entire team was fired up by the goal, and rallied to protect the lead. Seniors Mike Alpert, Bob Lee, Rob Shannon, Dave DiNanno, and Ron Scotti formed a stone wall of defense, and senior netminder Chris Hebert turned in some excellent goaltending to keep the score at 2-1. The Indians beat back a late Andover rally, and preserved their sweet victory.

In an otherwise unsatisfying season for the Indians, in which which they missed the state Tournament for the first time in recent memory, the Andover game was one of few bright spots.

The soccer tradition is safe, though, with the help of some talented underclassmen.

# Classic Concentration

The whole race came down to the last 50 yards. It was Dennis Hart and a Methuen runner in the straight away. They were neck-and-neck and sprinting for the finish. Dennis had to push just a little more to win. It looked as if both runners crossed the line simultaneously, but only one could win. The decision was in Dennis' favor; he pulled ahead by a hair in the nick of time. At the time, Dennis thought he had won only a small personal victory, but it turned out to be the deciding factor of the meet. Had Dennis lost, the Cross-Country team would have only tied Methuen, but Dennis' determination helped to raise the team's record to 5-2. The team, led by Head Coach Joseph Bradford and Co-captians Dan Dolan and Jim Lawless. finished the season with a 6-4 record, a complete turn around from last year's record of 3-7.

The other members of the team, Brian Leard, Jerry Corso, and Walter Daly, have all put in as much effort as Dennis to make this past season a successful one. With runners like freshmen Terry Crump and Mark Dangora, the cross-country team's future is in good hands.

**Front row:** (L to R) Brian Leard, Walter Daly, Co-captain Dan Dolan, Co-captain Jim Lawless, Jerry Corso, Coach Joe Bradford. **Back row:** Jeff Turner, Eric Chen, Mike Dunn, Dennis Hart, Mark Dangora, Mike Gorrierio, Terry Crump.

The 1986 girls' varsity volleyball team finished the season with an outstanding record of 16-2 in the Merrimack Valley. The girls went on to the state tournament where they lost the North Sectional finals to Chelmsford, the soon to be state champions.

Leading the volleyball team in their remarkable season were senior Co-captains Erin Burke and Sandi Cummings. The talent and sportsmanship possessed by the players was an important factor in their success. Coach Jack Locke regards the team as one of the best in the state and feels that the girls "leave behind the highest of standards for future teams to live up to."

The team will be losing seven seniors to graduation; Co-captains Erin Burke, and Sandi Cummings, Karen Cristello, Kris Beane, Sue Murphy, Lori Gill, and Kara McCarty. Although the varsity squad is losing these key players, the tradition of excellence will be carried on by the upcoming seniors; Peg Sullivan, Kelley Ramsey, Korin Flynn, and Lilli Donadio.

# Classic Drive

Neither wind, nor snow, nor freezing rain could stop the Billerica High School golf team from their most important match of the year. The opponent was Haverhill, who, going into their last match of their season, carried with them a 14-0 record, tops in the M.V.C. . However, this was a must match for the Indians. A win would insure a spot in the state tournament to be held in the spring. Unfortunately, Billerica had been blown out earlier in the year by Haverhill.

The team was pumped up for the match, and it turned out to be one of their best of the year. Co-captians Tim Ervin and Neil Gorman won their matches to lead the team to victory. Five of the Indians eight players scored below 40, good enough to beat any team around. This was a day when everyone came to play.

The team had an excellent year. They finished with a 10-5-1 record, good enough to go on to the state tournament. Senior co-captians Tim Ervin and Neil Gorman excelled, and won most of their matches.

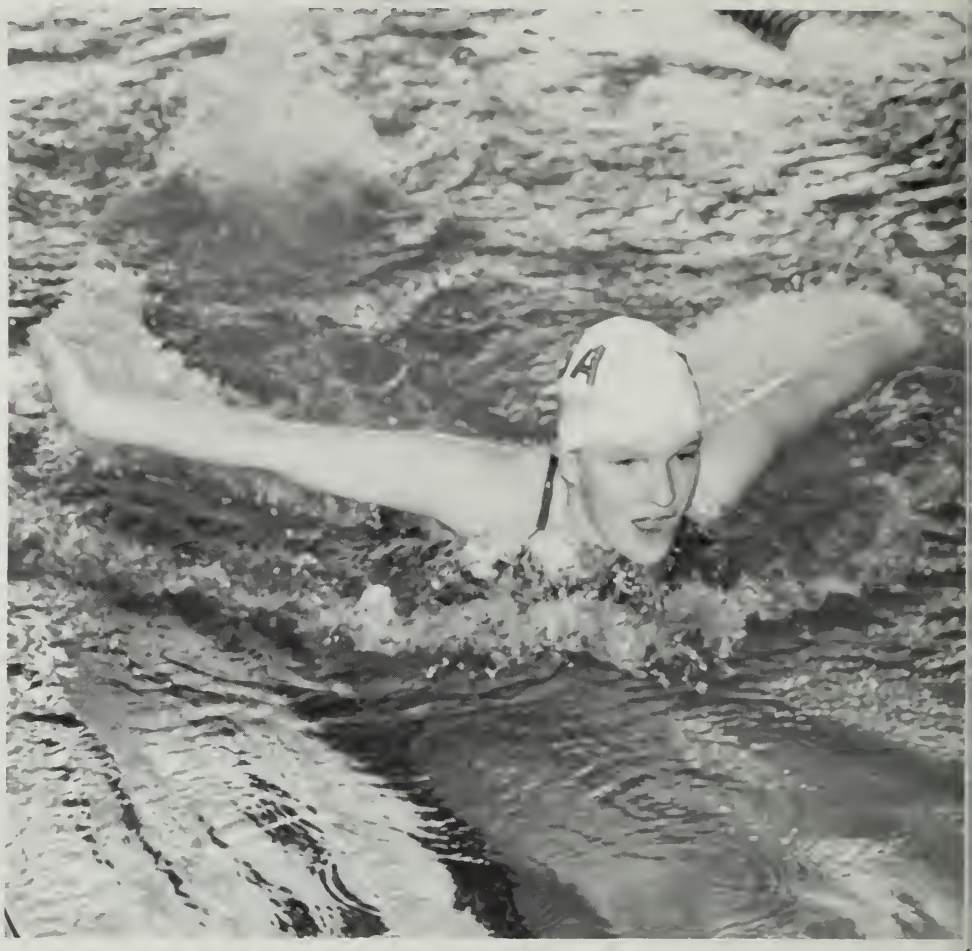
# Classic Strokes



The girls' swim team had new direction this year under Coach Dottie Blake. A season full of spirit and fun included a four meet winning streak in which the team defeated Shawsheen, Methuen, Burlington and Lowell. Qualifiers for the North Sectionals and State Championship swimming meets included Seniors Denise Beck, Kris Clarke, and Captain Kimberly Davis. Sophomore Kerrie Little set two school records, also qualifying for the championship meets. Other outstanding senior performers included Lisa Demarino, Sandy Hughes and Captain Andrea Lister. A strong diving team included Captain Tracy Shaw, Chris Plasse, Kim Nordlie, Laurie Glauser, and Jennifer McGinnis. A great deal of thanks also goes to Manager Allison Hazen, and the rest of the team for making the season full of fantastic memories.

# Silver Jade Colorguard & Marching Band Shines Its Way To The Top.

The 1986-87 band season was a challenge from the start - with a new field director to become accoustomed to, things were quite shaky in the beginning. With the new director came a new style of marching along with an entirely new field show to choreograph. There was so much to accomplish in so little time - from learning the music for the carriage work to perfecting the drill on the field. The many hours of practice and much hard work paid off - the band's achievments far exceded their greatest expectations.

Through traveling to Connecticut on weekends for competitions, many close friendships were developed with students in other bands. These special friends made the year the best yet to be remembered.

The band won first place in its division at all but one of the field shows, while the colorgaurd went undefeated throughout the season.

After two months of tough competition behind them, the band was ready for the chance to perform for the title. Heading to Roselle Park, N.J. to compete in the Eastern Marching Band Association (EMBA) proved to be both a nerve racking and exciting experience. The tension in the air was tremendous. After coming off the field, relief and joy came over the band - they knew they had performed their best ever! In all, 19 bands competed in class II, from Massachusetts, Connecticut, New York and New Jersey. But, when the time for awards came around, Billerica took it all, winning first place.

Turning a shaky beginning into a shinning finale, the Billerica Marching Band and Silver Jade Color Gaurd had a classical season.

# 1987 Yearbook - Classic Effort

The year of 1987 was a year of new beginnings for the Warrior Yearbook here at BMHS. With a new advisor, Ms. Marinaro, joining veteran advisor, Mr. Flynn, the yearbook took a whole new shape. The staff was headed by Co-Editors-in-Chief Heather Dewar and Martha Robinson. These two dedicated students shaped the book - they worked a theme throughout the pages of the history book of the class of 1987 - they gave it unity. Under these two students were serveral section editors. Each of these students was assigned a special project to complete. Only the year ahead knew what it held, but with a staff like they had the editors knew they had a staff they could count on

# Billerica Hockey

After a somewhat shaky start, the BMHS hockey team came on strong at the end of the season and finished with a 14-5-5 overall record, and in second place in the MVC Large School Division with an 11-2-2 league record. The highlight of the season was a 2-0 blanking over Chelmsford at home in the season finale.

Anchored by a stingy defense and the area's best goalie, Bill Paskiewicz, the Indians allowed a league low 27 goals against, and qualified for the state tournment. In the opening round, the Indians faced the Woburn Tanners. A late third period goal by Ron Scott provided the Indians with a 1-0 lead; however, the Tanners tied the game minutes later. With 40 seconds remaining, Chris Siraco scored, and the Indians would face Medford in the second round.

The Indians outplayed the Mustangs for most of the game, but couldn't score. The backbreaker for the Indians was a Medford goal with nine seconds to play in the second period, putting the Mustangs up 2-1. After being outplayed much of the period Medford went up 4-2 before an empty net goal assured them the victory.

The Indians will be losing the core of their defense with MVC All-Stars Bill Paskiewicz and defensemen Tom Ford, Dave DiNanno, and Bob MacLeod. Forwards leaving are Ron Scotti, Mike Brown, Wes Turner, Tom Hopkins, and Jeff Mitza.

# Boys Basketball

The 1986-1987 boys basketball season left the Indians with a 5-14 record. The team, however, remains optimistic about next year.

They were young and inexperienced varsity players, but showed maturity as the season progressed. They gave a great effort and next year looks bright.

The team will lose only one player, Rick Elliot, at graduation. He said he sees a promising future in Billerica basketball, stating that next year they will have four starting seniors and one outstanding junior. Elliot was unable to play almost all of the season due to knee surgery, but still remained faithful to the team, sharing his wisdom with his teammates.

Some of the outstanding athletes on the team include Todd Dixon, Glenn DiSarcina and Mike Goodwin who were named to the All-Star team. Other players include: Chris Agostino, Sean Crump, Chuck Denegy, Brian Flaherty, Paul Leyne, Dan McCaffrey, Steve Morrisroe, and Joe Tomei.

# Wrestling

The 1986-87 wrestling team had a successful season finishing 3rd in the MVC, 5th in the state, and 10th in New England. The team had a blend of experienced seniors and talented underclassmen. Great performances were had by senior co-captains Chris Giardina (121), and Jeff Moore (135); seniors John Farrell (128), Keith Rivinius (157), and Mike Riley (169); underclassmen Steve Marisolo (100), Brandon Giardina (107), Craig Giardina (114), Ralph Lyman (140), Tom Lee (147), Joe Napoli (187), and Mike Murphy (hvy). Other great performances were handed in by Ray DeRosa (140), and Bob Fletcher (147). Head coach Vin Viglione and assistant coach Otis Tholander thought the high point of the season was the victory over Chelmsford. It was the first time Billerica had beaten Chelmsford since 1983.

The most outstanding individual achievement was made by Chris Giardina when he won the New England 121 pound championship. To become champ, Giardina beat the state champions from Vermont, Rhode Island, New Hampshire, and in the final beat the Massachusetts champion.

Another bright spot for the matmen was the naming of their coach, Vin Viglione, as the North Section Coach of the Year.

New England State Champion, Sr. Chris Giardina.

# Boys Track

Stocked with talent and armed with a desire to win the 1986-87 boys' winter track team enjoyed a 5-2-1 winning record for a classic season. Coaches Joe Bradford and Dan Murphy (weight coach) developed this talent into the makings of the best team in terms of character that BMHS has had in many years. Two school records fell to two of the three captains. Scott Davies topped the old shot put record by a 6½" margin with a throw of 51' 9¾". At the same meet, the State Class A championships, Grey shaved a tenth of a second off the standing 300 yrd. dash record to cut it to a quick 32.6 seconds.

There were many outstanding performances by the other seniors. Tri-captain Dan Dolan-usually a sure bet to win the mile; Dennis Tamis-another man to put money on in the high jump; Keith Brown-who always put across a strong race in the 1000; A quick Bill Bradbury-usually winning the hurdles; Paul Kunze in the shot put; Harry Hoyt, Dom Addario, and Scott Parker on Grey's heels in the 300; Jerry Corso-mile run; and Bill Love in the 2 mile. Other fine performances were recorded from John Kenney, John Harring, Jim Lawless, Chris Dreikosian, Jim Shea, Mark Dangora, and Jeff McKarron.

The team had the talent to become the MVC champs, but fate was against them. Battling injuries and the flu, a battered team tied the season opener to a normally weaker Lawrence team. Five straight wins followed, after which the team felt it was high time to kick some Chelmsford hind end. An unforeseen storm postponed the meet which left the Indian squad facing a two week period without a meet. The lay-off cooled down the red-hot tracksters, and their next meet left them speechless with a loss to a strong Andover team.

In a controversial meet in which there were a few rule infractions on Chelmsford's part, the Lions squeezed by to beat the determined Indians by a very narrow margin.

With all its ups and downs, the season will long be remembered by all as a fun one.

# Gymnastics

The BMHS girls gymnastics team finished the 1986-1987 season on a high note. They defeated the Lions of Chelmsford and ended up with a 5-5 record.

The team was led by co-captains Cindy Burtt and Kristin Fitzgerald. Junior Burtt qualified in all 4 events for the Mass State Tournament in girls gymnastics. Although she did not win, Coach Smith had high praise and was quoted as saying, "Billerica has never been a strong gymnastic town. We, therefore, were very proud to be represented in the State Tournament and congratulate Cindy on her accomplishments."

The team will graduate only two seniors, Tricia Jones and Julie Cawthron. Although they will be missed, Smith feels with eleven returning lettermen it looks to be a promising season for next year's squad.

To The Members of the Class of 1987:

Graduation is a time for gifts. You have received a gift. It's a gift that will not wear out, break, or rust. It's a gift that will increase in value every day. Once the gift is opened, it will never be thrown to the back of the closet and forgotten.

The gift is, of course your education. Use it wisely in whatever your chosen field of endeavor. I join with the Billerica School Committee in congratulating each and every one of the Billerica Memorial High School graduates. May your future be filled with happiness and success.

Sincerely,

Robert J Calabrese

March 17, 1987

Dear 1987 Graduates,

There are few moments in our lives when we get the chance to put everything away and think about where we are going and how we are doing getting there. Sometimes it comes late at night when we are alone with ourselves staring at the dark ceilings of our bedrooms. Sometimes it occurs after a major event has occurred in our lives either tragic or happy.

We at B.M.H.S. hope that your graduation day will be such a time for you - a time when you can reflect upon where you are now and upon the manner in which you have reached this very important event in your life.

We also hope that in this reflection upon your four years of high school, you will experience a deep sense of satisfaction and self-pride that comes from the feeling that you did all that you could to take the fullest advantage of what B.M.H.S. offered to you.

It may be at your tenth year reunion or perhaps your twentieth year reunion that this sense of satisfaction with yourself is visible to everyone in terms of your material success, your family success or your self-confidence and satisfaction with life.

At this time, if you feel it within you and continue to be the best that you can be, rest assured that in the years ahead you will rise above your peers and attain the satisfaction with life that comes with this sense of success.

Congratulations on your graduation and your achievements. My best wishes are extended to each of you in the years ahead. Please know that you always will remain a part of our B.M.H.S. Community.

Sincerely,

Thomas D. Sharkey

# Better Than The Best

It has been said that the high school years are the best of your life - and part of what has made our years at at B.M.H.S. so special is the people we spent them with. Not only our friends, but also those teachers who have helped us along the way. If ever we needed them, our teachers were there, showing understanding, consideration, and concern for us. It is not very often that such a fine group of people are gathered together, but we were lucky enough to have teachers and advisors who cared a great deal about us. The friendships we developed with these people are very special and will always be very precious to us. We, the class of 1987, would like to thank our teachers for all they have done - we know we were taught by people who are Better Than the Best.

# The Thrill Of Victory

The Thrill of Victory and the Agony of Semester Exams

By: Michael Alpert

They come but twice a year, twice too many for most of us, those most dreaded and loathed occurances of our high school careers - SEMESTER EXAMS. For some these tests can completely destroy a semester of hard work. To others they are a last chance to make something of an otherwise hopeless semester. A one hour and a half long exam that can either make or break someone.

Exam week means sweat pants all over, bags under the eyes, and lots of messed up hairdos. People come to school half awake and leave completely drained and confused. It is a time of intense study and extreme exhaustion. Silence falls across the school, students become cold and emotionless blobs of flesh transfixed on the sole purpose of getting through one test. Some believe that "all my teachers are out to get me." But the overwhelming consensus of students coming out of the exam rooms is - "I HATE THESE!"

- Sue walks into room 1220 to attempt to complete her English exam, her second of the day. The dull roar of tensed up students preparing for yet another period of ceiling watching increases as more students enter. The teacher enters and the roar dies down somewhat. Silence falls like a rock across the room as the teacher gives last minute instructions. The tests are passed and sweaty palms flow into full force. The long arduous process begins. Sue flies through the test answering as many questions as she possibly can while glancing at the clock every five minutes. After going back to guess at all the ones she skipped, she is finally finished and lets out a long sigh of relief. But then she looks at the clock and realizes she still has thirty-five minutes left. Panic sets in as she gazes around the room seeing that everyone else is only half of the way through the test. Sue goes furiously through her test, changing half the answers she guessed at, undoubtably to the incorrect answer.-

After the test the question running thruogh the class rooms is, "What did you put for that one . . ."?: that one . . .?" Sue, leaving class, discovers through her friends that all the answers she changed WERE correct. Severe depression sets in and in some of the most extreme cases of Post Exam Depression Syndrome, tiny tears can be seen.

All in all semester exams can be a very traumatic experience, or at least a very tiresome and mentally draining one. But as we leave these hallowed halls, let's keep in mind that these most rued and despised of tests are for our own good, RIGHT! . . . HA . . . HA . . . HA!!!

# Reading Of The Classics?

"Classic." A book which people praise and don't read.
-Mark Twain
This has been proven a very true statement. How many times has your English teacher assigned a book to read; one of those classics? You didn't even attempt to read it did you? *Romeo & Juliet, Gullivers Travels, The Scarlet Letter* - to name just a few.

In order to help you through, at least once in the past few years, each of us has made a trip to the book store and picked up a copy of Cliffs Notes. If you don't own a single volume of this ever reliable source of assistance, which strongly implies you actually read all those classics, you're one of a dying breed. Those of you who fall into this highly elite category, give yourselves a deserving pat on the back. You've stuck to a highly admirable practice.

Everyone has an argument of how long and boring the classics are and that's why they get the Cliffs Notes. Well, no matter what your argument is, there is a stronger one for the classics. Give them a chance, they're really not all that bad. And, to prove this point - You're reading *A CLASSIC* now, and admit it it's one of the best books you've ever read.

No single experience has had a greater impact on my life than the year I spent as an exchange student in West Germany.

When I left for Germany on July 17, 1985, I really had no idea what to expect, and the last few hectic weeks before my departure didn't give me much time to contemplate.

I arrived at my first destination, Wesel, in the northwestern part of the country, after an all night plane flight, a rather sleepless night at a Frankfurt youth hostel, and a six hour bus ride. Slightly tired, but nevertheless very excited, I was met at the bus station by the Peetz family with whom I was to stay for my one-month language program. My host sister and I hit it off immediately, and we spent our first evening together biking around Wesel. My month in Wesel flew by quickly with such a wonderful family. My first impressions of Germany were terrific with such beautiful people to show me around.

August seventeenth dawned overcast and showery, appropriate for a sad departure from my family in Wesel. As my train sped across the countryside, however, the weather improved, as did my mood as I realized I would see the Peetz on vacations and as I anticipated meeting my permanent host family in Hennef.

After three months with the family in Hennef, I finally called it quits. I really believe I did everything possible to adapt myself to the family's lifestyle, but I was terribly unhappy there. I contacted my "Youth For Understanding" representative and was very fortunate to be able to move in with a family right in the same town. I think the unhappy period of time I spent with my first host family helped me to mature by forcing me to make a decision and act upon it.

On November 25, 1985, I moved in with my new permanent family, the Muellers. I had met my host brother at the swim practices of the local team I worked out with three times a week. This time the match was incredible. My host parents were unbelievably similar to my parents at home, from political standings to senses of humor. My host brother, Andreas, was like a made to order substitute for my older brother at home, from his support and encouragement right down to his incessant teasing! My remaining eight months flew by rapidly, as my parents at home could tell from my letters which were getting shorter and further apart!

My year was mainly an academic and cultural exchange, and I did spend a lot of time with my trust English/German dictionary. The open-campus setup was a lot of fun at Gymnasium Hennef, and I greatly enjoyed the large number of courses a student could combine as an upperclassman. Among my very favorite subjects were physics, Russian, German, and history. Although I did learn alot at school, equally if not more important were the friends I made while attending Gymnasium Hennef.

Facing page: (Far left) Christmas with the Mueller's, Kris' permanent family in Hennef.

The girls softball team had a tough season, but managed to get through it with a win to Chelmsford and another to Lowell. The season started out as a disappointment with a loss to Dracut and then another to Methuen. But the team pulled together and won their first game of the season to Tewksbury.

Their next three games were all losses, but very close games, usually by one point. The team again realized they had to pull toghther and they beat Chelmsford 5-2 and what a comeback.

The end of the season went downhill with the next seven games proving to be disappointing losses. But just when all seemed lost, the girls pulled together again and won 6-2 against Lowell, but then ended the season with two more losses.

Captains played very strong this year as well as Denise Elliot, a junior who will be very valuable to next year's team.

# Billerica Baseball

The Billerica High baseball team had quite a smashing season. They defeated Glouscester and Malden Catholic twice early in the season and also beat Lowell and Chelmsford which almost assured them the MVC title.

Billerica has always had a good pitching staff and this year wasn't any different. Seniors Dave Lyons, Scott Schermerhorn, and Pat Leyne all have proved effective in all of their appearances. But in order for the pitchers to have a good outing they must have defense, and they did.

Schermerhorn was the first baseman, Pat leyne and Dave Lyons switched off at second, the shortstop was Glenn DiScarcina, and rounding out the infield at third was Frank Toce. Billerica's outfield included Jay Hickey in right, Sean Hussey in center, and in left Paul Stagliano. Handling the catching chores was Tim Murray. The offense also proved to be strong.

The varsity was ranked second in the Boston Glove Division One poll with a record of 8-1.

# Billerica Lacrosse

By: Peter Ginolfi

It was a hot and sultry day, the hottest day of the season. The Indians were an angry team coming off a loss to Winchester, a nemesis they would face later. The lacrossers aimed to take their anger out on the visiting Lexington Minutemen, a team who beat the Indians many times in past seasons.

After five minutes of play the score was knotted at 2-2, but tri-captains Rick Elliot, Peter Ginolfi, and Ralph Laundry regrouped the team. The Indians went on to trounce the Minutemen by a score of 11-3 to the delight of Coach Paul Powderly, now in his third season as head coach. In this game, defensive duties were handled by seniors Tom Ford, Peter Ginolfi, Phil Tammaro, Mike Alpert, Rob Shannon, Dennis Tamos, Wes Turner, and junior John Rosa. The offensive punch came from seniors Rick Elliot, Chris Giardina, Ralph Laundry, Al Angeluci, and juniors Paul Leyne and Dan "Digger" McCafery.

By defeating Lexington, the Indians improved their record to 9 and 5 and qualified for the Division 1 State Tournament.

If the regular season was played in the spring, the so-called "second season" would definitely play into the summer. The Indian Lacrossemen traveled to Winchester where they faced the Sachems in 95 degree heat. Because of the heat, Billerica was forced to use three lines, while during most of the season they primarily used two lines of midfielders. The well-balanced Sachems won by a score of 4-6. Coach Powderly said after the game, "These kids are so fantastic. I'd rather lose with them than win with some previous Billerica teams."

# Girls Spring Track

The girls' track and field team got off to a slow start this season. They lost to Tewksbury and Andover early in the season, but did win a 94-41 pounding over Dracut.

The Dracut win was led by junior Sarah Doherty who had fifteen points with first places in the high jump (5'), 400 meter dash (65 sec.), and the 200 meter dash (27.6 sec.). It was a total team effort, as the Indians took first places in eleven of the sixteen events.

The team also competed in the Class A-State Relay Meet at Brockton and had three places. The sprint medley team of Peggy Sullivan (200),Kim Davis (100), Kathy Thebodo (100), and Sarah Doherty (400), was the most successful with a second place finish in 1:58.6. They also placed fourth in the 4x200 and sixth in the 4x800.

# Boys Spring Track

The boys track and field team shot off early in the season. Their first victory came against Dracut in a 101-44 pounding. They then lost to small school power Tewksbury over vacation week. The bad weather stood in the way of the next two meets and were postponed.

The Indians also competed in the Haverhill Invitational and in the Class A-State Relay meet at Brockton. In Haverhill, they had several places including a first place victory by senior Mike Grey in the 100 meter dash, with a time of 11.1 seconds. They also had several third place finishes: Jim Lawless in the 2-mile (10:37.8); Adam Schwartz in the 800 meter run (2;12); Paul Kunze in the shot put (45' ½"); Scott Davies in the discus (138'7"); and the 400 meter relay team of Davies, Paul Ransom, Jeff Moore, and Grey (47.0). In Brockton, the team had four places and just missed a first place in the shuttle hurdles. Craig Malnicof, Chris Dreikosen, Paul Ransom, and Bill Bradbury took second in the hurdles with a time of 1:10.3. The Indians also had places in the 4x100, 4x200, and the shot put relay teams.

Other athletes who have done well this season include John Burke (discus), Brian Sargent (javelin), and Scott Parker (pole vault). In the running events, Jeff McCarron (400), John Harring (800), Dan Dolan (mile), and Dennis Hart (2-mile) have all scored consistently.

The team proved to be a winning one for BMHS.

# Boys Tennis

The Billerica High School boys' tennis team ended the season with a record of 5 wins and 11 loses. A down year in the history of the Billerica High netmen, but for a transitional year after the loss of Pat Walker, the '87 team did better than expected.

Co-captain Mike Provenzano was in the first singles position. Fellow co-captian Steve Dankese battled the second best from the second singles position, and Andy Donovan came out in his first year to play third singles.

In the doubles court Dave Smith along with partner Don O'Sullivan went head to head with opponents mainly from the first doubles position. At second doubles were Andy DeVito and sometimes Bill Doyle. DeVito also played first doubles and was matched up with Tom Hernon and other partners throughout the season.

Senior Mike McCarthy made three varsity appearances at third singles and second doubles. He is most famous for his third and final match against Haverhill, the last match of the season. It was a possible match point for him, when the immortal words were heard: "It's in. . . . No! IT'S OUT! I WIN!!!"

# Girls Tennis

The 1987 girls tennis team had a great year. Their final record for the season was 11-5. With sophomore Leigh McCarty going undefeated from the first singles position, the team was never shut out.

Kara McCarty played second singles, and Laurie Gill played third singles, and both create gaps hard to fill for the '88 team. The first doubles team of Terri Debreceni and Maria Milano both went off to colleges after a great season, but still have the memories of being in the semi-finals in the state tournament. Also, Linda Jankauscas was in her last season as a part-time varsity doubles player.

After the first round of the state team tournament beating Holliston 4-1, they went on to top seed Lynnfield and fell to a 5-0 loss to end the exciting season.

(bottom rleft) Ready; Set; GO!!!

(bottom right) Dennis Tamos flips out.

# "We've Got Tonight . . ."

Our prom Queen Stacy MacLeod and her King Phil Farmer lead the class in a dance to the prom song.

The crowd looks on as the contestants for prom Queen dance for the judges.

Andrea Lister, Tracy Shaw, Tracy Hazen, and Jennifer McGinnis smile for the photographer, displaying their beautiful gowns.

Finalists Nancy Frazer and her date Paul Burns are a match made in heaven, but hoping to be the right match for King and Queen.

The guys ham it up for the photographer while dancing to the classic dance songs.

Wendy Foote and Scott Davies pose for their formal prom pictures and express the excitement felt all evening.

. . . Who needs tommorrow? Let's make it last; let's find a way."

May 28, 1987. The Boston Marriott Long Wharf Hotel was standing taller and prouder than ever as limos, rolls royces, and sports cars lined the entrance. Drivers opened the car doors to reveal beautiful girls with their handsome and debonair escorts, smiling so much that their faces hurt. It was an enchanted evening-it was our Senior Porom.

As the couples entered the function hall after picture taking and exclamations of "Oh, your dress is beautiful" and "Who did your hair" and "When do we eat?", the D.J., Bill Costa of KISS 108, asked for requests. Dinner was quickly passed over and the dancing began. With over 600 people at the prom, the dance floor was a little tight at first, but once everyone got into the groove, the laughter and shouts went on all night.

This year the Prom Queen was Stacy MacLeod and her King was Phil Farmer. Her court included Karen Stamp, Nancy Frazer, Debbie Strang, Becky Humphrey, and Julie Petrone. A special dedication went out to Lisa Glover who came all the way from California to be with us at our prom even though she will be unable to graduate with us.

All in all, the evening was a complete success. Leaving the prom, the thoughts for the evening were "We've Got Tonight" so "Shout", "Shake It Up", and do "The Bird". Get on the "Party Train" and "Never Say Good-bye".

Right: Good friends Andrea Lister and Vicki Donovan.

Below: Kathy Batten and Joyce Hudson tear up the dance floor.

Bottom: These friends will have great memories of the Sr. Prom: Back row (l to r): Paul O'Connell, Sandi Gillis, Chris Brochu, Tom O'Shea. Front row: Brian Cooley, Lou-Ann Olson, Julie Petrone, Jonalyn Connoly nd Nancy Fraser.

Top: (l to r) Pete Ginolfi, Sue Tatarouns, Ms. Capella, Tom Sullivan, Tracy Hazen, Erin Egan, and Dennis Tammis; take a break from their dancing awaiting the announcement of the Prom King and Queen.

Middle: The floor was jam packed the whole night as prom goers danced the night away.

Left: Srs. Rob Silva and Andrea Lister, quite a handsome couple.

# You Can't Beat The Feeling!

"Change is never easy, but it can and should be exciting. We are beginning a new chapter in our lives and every day we will be discovering new things about ourselves; . . . There is no end to the process of self dicovery if we continue to learn, to grow, and to change. . . . Each of us possess a special gift that makes us unique, which is what has made the Class of 1987 a 'classic' one."

-Chris Brochu, President, Class of 1987

". . . I don't think there is a class who has enjoyed high school more than the class of 1987. But soon after today we will all be leaving the close friends and all the wild times we've had and move on to bigger and brighter endeavors. Some will be continue their education going on to college, while others will enter the job market and all the problems of the so-called 'real world', where death and taxes are the only sure things. . . . Every single one of us is a great individual that has unlimited potential yet to be tasked. So do not be afraid to follow your dreams. That's what this country was built on, that's what it lives on today. Reach for the stars and beyond, don't ever give up on yourself because there is always a star up there with your name on it."

- Michael Alpert, Salutatorian of the Class of 1987

Left: Walking onto the graduation field, members of the class of 1987 look back fondly on their memories, and on to the future.

Above: Graduate, Frank Arcidiacono, "Hey where's my diploma?"

". . . Well, my friends, that journey we began together four years ago has ended and here we are again, me up here and you down there . . . . As the original dean of your class I have special affection for you. I was your original dean in the fall of 1983 and togethrer we made our way through the good times and the rough spots . . ."

- Mr. Diran DerMarderosian (Mr. "D")

". . . It is important to know that no matter what each of us choses to do next year, there will always be someone here to provide help and encouragement."

- Kristin Clark, Valedictorian of the Class of 1987

". . . Only you as individuals can provide the motivation to achieve the stabily, strength, and growth in your family life. This is your challenge, just as it must be society's challenge. Put forth the efforts, make the commitment, place the family high on your list of priorities. Without the family all your other accomplishments are going to be shallow and superficial."

- Dr. Robert Calabrese, Superindentent of Schools

Top center: Graduate, Chris Beane, "Look Ma, no hands!"

# Kiss Me Kate

Facing page:
(top): "Another Opening, Another Show".

(bottom left) The chorus line belts it out.

(bottom middle) Lovely Lauren Lynch.

(bottom right) Stars Fred Bokuniewicz and Lauren Lynch.

(top left) Julie Gareeau and friends.

(top right) Lizzie Rainoldi performs a solo.

(bottom) The cast within a cast sings.

Fred Bokuniewicz (Petruchio), Lauren Lynch (Katherine), Frank Arcidiacono (Lucentio), and Lizzie Rainoldi (Bianca) put on the play "Taming of the Shrew" while putting on the play "Kiss Me Kate".

Sue O'Connor accents her features so she can shine on stage as a dancer.

Maureen MacMullian thinks, "If she pokes me in the eye, . . ."

Susan Chanen (Jester), Ian Allard (Gremio), Greg Smith (Baptista), Brant Aylward (Hortensio), and Susan Harrington (Jester) sing "We Open in Venice" during "Taming of the Shrew".

Jesters Susan Harrington and Susan Chanen entertain the audience while waiting for scene changes.

The chorus and dancers join in singing in the opening act of the show.

Laura Errico taps away with a smile that sets the tone for the whole show.

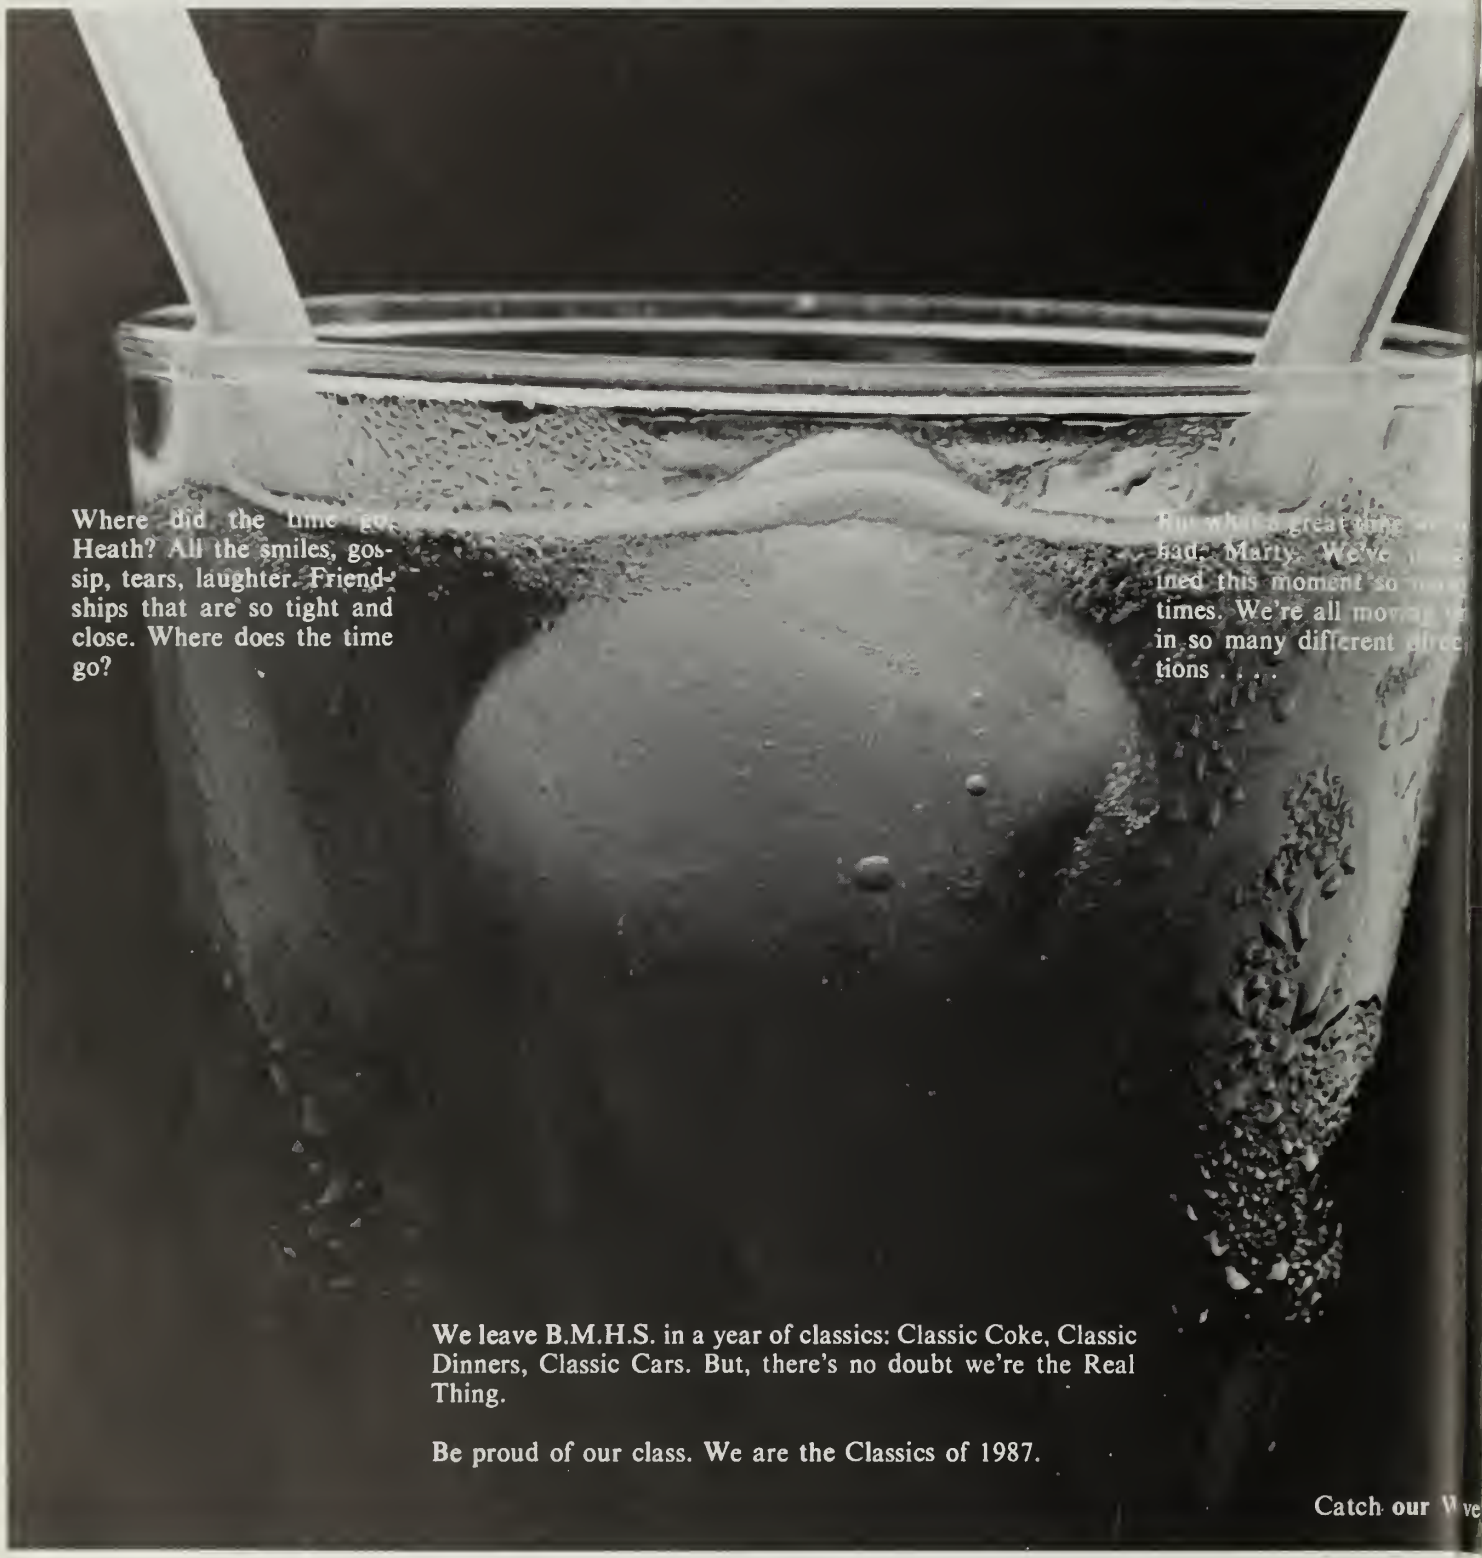
# The Last Straw:



Where did the time go, Heath? All the smiles, gossip, tears, laughter. Friendships that are so tight and close. Where does the time go?

But what a great time we had, Marty. We've [illegible] ined this moment so many times. We're all moving in so many different directions . . . .

We leave B.M.H.S. in a year of classics: Classic Coke, Classic Dinners, Classic Cars. But, there's no doubt we're the Real Thing.

Be proud of our class. We are the Classics of 1987.
